The SEIAA considered the recommendation of SEAC made hereinabove alongwith the order passed by Hon'ble NGT (EZ), Kolkata on 30.07.2025 in OA No. 113/2024/EZ, Amar Kumar Gupta Vs The State of Jharkhand. The Hon'ble NGT in Para 14 made the following observation:

“.....preparation of Wildlife Conservation Plan is a standard statutory condition of MoEF CC, Govt. of India which is imposed by SEIAA for all mining project but it is applicable only in those project where endangered flora and fauna and Schedule-I species are found to be present. The issue relating to mining activity being undertaken in Chuttupalu area is being monitored by the Hon'ble Jharkhand High Court, Ranchi through W.P. (PIL) No. 2026 of 2021, Anurag Kumar Rai and Anr. Vs State of Jharkhand and Ors.

SEIAA, Jharkhand has granted Environmental Clearance to a total of 23 Project Proposals located in Chuttupalu/Ormanjhi area. Out of these 23 Projects, above mentioned 16 Project Authorities have not submitted the requisite or mandatory Six - Monthly Compliance Reports to SEIAA, Jharkhand, as mandated under para 10 of the EIA, Notification, 2006 of MoEF & CC, Govt. of India.

The Hon'ble, Jharkhand High Court in aforesaid case passed a Judgement on 13.11.2025 inter alia directing the SEIAA as follows:

"3. It is not in dispute that SEIAA has been constituted in terms of the notification vide S.O. No. 1533(E) dated 14.09.2006 issued by the Ministry of Environment and Forest, Government of India and in terms of Clause-2 thereof, the SEIAA has been held to be the concerned regulatory authority for the matters falling under Category 'B' in the schedule to the notification. In terms of Clause-10 of the said notification, which relates to 'Post Environmental Clearance Monitoring', it has been clearly provided that "It shall be mandatory for the project management to submit half-yearly compliance reports in respect of the stipulated prior environmental clearance terms and conditions in hard and soft copies to the regulatory authority concerned, on 1st June and 1st December of each calendar year".

In Compliance with the directions of contained in the above mentioned order of Hon'ble Jharkhand High Court, Ranchi, SEIAA, Jharkhand had taken steps to ensure submission of the requisite or mandatory Six - Monthly Compliance Reports by the concerned Project Authorities. Accordingly, Public Notice were Published in Hindi and English daily Newspapers on 27.11.2025 and 16.04.2026, calling upon the concerned Project Authorities to submit their Six - Monthly Compliance Reports in accordance with Para 10 of the EIA, Notification, 2006.

However, despite the aforesaid notices and sufficient opportunity having being afforded to the concerned Project Authorities, the above mentioned 16 Project Authorities have not submitted the requisite or mandatory Six - Monthly Compliance Reports to SEIAA, Jharkhand.

The Authority, therefore, observed that continued non -submission of the mandatory Six - Monthly Compliance Reports amount to non- compliance with the provisions of Para 10 of the EIA, Notification, 2006 and the directions of the Hon'ble Jharkhand High Court, Ranchi.

Accordingly, SEIAA, Jharkhand unanimously decided that Show Cause Notices be issued to the aforesaid 16 Project Authorities, directing them to submit the requisite or mandatory Six - Monthly Compliance Reports to SEIAA, Jharkhand within 07 days from the date of receipt of the Show Cause Notice. In the event of failure to submit the requisite or mandatory Six - Monthly Compliance Reports within the stipulated timeline, SEIAA shall be constrained to initiate appropriate

legal/regulatory proceeding against the concerned Project Authorities under the relevant provision of the EIA, Notification, 2006 of MoEF & CC, Govt. of India as well as in accordance with the directions of the Hon'ble Jharkhand High Court, Ranchi.

The meeting concluded with vote of thanks to all present.
